Design/Art

Creative Director at Flywheel BI

Created app style guides, app UX flows, as well as redesigned entire mobile app ahead of rewrite, both UX overhauls and aesthetic revamps. Wrote reusable front-end components and created much of the app's style code.

October 2017 - Present

Head of Design and Producer at TexasRL

Leading a team of designers, created 2D, 3D, and web-based content for esports tournaments, social media, and branding. Produced several large and small live LAN events in Texas.

August 2016 - Present

Javascript Developer at Flywheel BI

Front-end and back-end developer of Meteor/React applications, UX wireframing, and photography.

October 2015 - October 2017

Web Specialist at UT Dallas

Programmer/UX designer of custom web-apps. Created graphics, videos, and photographs.

July 2013 - October 2015

Consulting Web Developer at Minerva Co.

Programmer and designer of a custom Wordpress-based site, and advisor for other web-based solutions.

April 2015 - July 2015

Art Intern at Intific Software

Modeled 3D art assets/shaders from scratch and converted assets for use in-engine.

Summer 2010, '11, '12
